古けか

"子育てがしやすいまち"とは、私が「このまちで子どもを育て、その喜びを実感できる」まちです。 そのためには、子どもたちがのびのびと成長し、学び、遊べる良好な環境が整い、私が安心 して楽しく子どもを育てるための様々な支援が充実していることが必要です。

さらに、自然や文化に接しながら、子どもたちが心豊かに成長し、質の高い教育を受けられる、 そのようなまちにしていきたいと思います。

"A city conducive to raising children" is a city that "truly makes us feel joy in raising our children there."

This means creating a favorable environment in which children can grow, learn, and play freely, and providing a full range of assistance measures to allow residents to enjoy raising their children with peace of mind.

We also want to make our city a place in which children can grow with rich hearts, coming into contact with nature and culture, and receive

乳幼児健康診査

Infant and toddler health examinations

赤ちゃんの発育、健康状態の把握のため4か月児 から3歳児までを対象として、保健師への相談や 離乳食スタート教室、親子歯科検診とともに実施

To ensure the growth and development of the city's babies and to understand their health status, the city provides Infant and Toddler Health Examinations targeting children from four months to three years of age. Other services include consultations with public health nurses, introductory baby food classes, and dental checks for parents and children

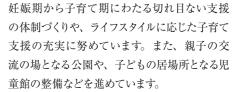

安心して子育てができる 環境づくりを進めています。

Creating an environment conducive to raising children with peace of mind

The city is engaged in developing programs to provide seamless assistance for parents from pregnancy through to child-rearing, and enhancing parenting support programs to suit parents' diverse lifestyles. We are also developing parks where parents and children can interact with each other and municipal children's centers as safe places for children

子ども議会

質の高い教育を受けられ、のびのびと学び、生きる力が育まれるよう、 教育の内容や教育環境の充実を図っています。また、道徳教育やさ まざまな体験を通じ、子どもたちの豊かな心を育んでいきます。

So our children can receive a quality education, learn freely and nurture their life skills, the city is striving to enrich the contents of the education provided and the educational environment. Also, through morals education and a variety of opportunities for hands-on experiences, we will nurture rich hearts in our children.
